

Violet Elementary

Behavior Team~

Positive Behavior Support allows the opportunity to provide a consistent and fair behavior plan. The original theories behind this approach to discipline were developed by special education instructors. However, this type of plan is beneficial to ALL students.

Research shows that students achieve at a higher level when they know the expectations and feel safe. Positive Behavior Support helps us improve in both of these areas. Our plan provides detailed expectations in every area of the school while putting an extreme emphasis on safety.

The success of our plan will improve with time and with the collaboration of our families. Research also shows that school behavior plans that are followed in the home greatly improve their effectiveness in the school.

All-Star Pledge:

I pledge to be an All-Star student.

I promise to be safe,
trustworthy, and respectful.

I will show care and concern for
others.

I will take responsibility for my
actions and act with integrity.

I will make Violet shine!!

**Together we reach for
the stars to make
a difference!**

- Verbal warning
- Student calls parent to report involvement in an incident

- Guided reflection time
- Modified All-Star celebration
- Individual Behavior Plan

- Frequent incomplete work
- Teasing and mild harassment
- Disruptive Behavior
- Mild physical contact/unsafe behavior
